Furthermore, the complainant states that **Gilberto RODRIGUEZ-Martinez, Maclobio ESTRADA-Estrada, and Jose Abel MARTINEZ-Navarro** are citizens of a country other than the United States; that said aliens have admitted that they are deportable; that their testimony is material, that it is impracticable to secure their attendance at the trial by subpoena; and they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.

On April 15, 2008, Border Patrol Agents on the plain-clothes unit were performing anti-smuggling duties in the Brown Field station State Route (SR) 94 Immigration checkpoint area of operations. Agents were in plain-clothes and utilizing unmarked DHS vehicles.

At approximately 7:00 a.m., Sector Dispatch advised Agents in the field of a request from a San Diego County Sheriff's Deputy for assistance with a vehicle driving recklessly on Skyline Truck Trail heading towards Lyons Valley Road. Dispatch advised Agents that a Deputy/Detective E. Vest, observed a white Lexus SUV carrying suspected undocumented illegal aliens near Wisecarver Road and Skyline Truck Trail located in Jamul, California.

Detective Vest relayed that the white Lexus was traveling southbound towards Lyons Valley Road at a high rate of speed. Detective Vest stated that the Lexus was passing commuter traffic, crossing over the double yellow lines and passing on blind curves. Detective Vest stated that the Lexus was traveling at an approximate speed of 85 miles an hour with total disregard for the passengers' safety or that of the local commuter traffic.

Border Patrol Agents were waiting in the Lexus' anticipated route of travel near Jamul Drive to assist the Deputy. Detective Vest relayed that the Lexus had made a last minute turn onto Jamul Drive and was slowed down by commuter traffic. Deputy M.R. Villalobos was in a fully marked Sheriff's vehicle waiting on Jamul Drive. Deputy Villalobos then advised he was going to attempt a vehicle stop. Deputy Villalobos advised that the Lexus appeared to be pulling over and then observed five individuals bail out and flee from him on foot. Border Patrol Agents arrived on scene shortly after and assisted the Deputies with securing the scene and locating the five individuals that ran from the vehicle.

After a search of the area, Border Patrol Agents apprehended the five individuals that fled from the vehicle, including the driver of the vehicle, Fernando GARCIA-Garcia. After the apprehension of the individuals, Agents in full duty uniforms identified themselves as United States Border Patrol Agents to all subjects, including the defendant, and conducted a brief immigration inspection. All subjects including the defendant stated that they were citizens and nationals of Mexico without proper documentation allowing them to be or remain in the United States legally. All subjects were arrested and transported to the Brown Field station for processing.
